Not only do we make homemade, fresh breads daily, but each loaf is only on our shelves for 24 hours before it is donated to W.A.R.M. Our bread is best in a twist tied bag on your counter where it is fresh for 7-10 days! When we say "fresh bread," we mean it!

KING CAKES

The Epiphany, January 6th, is the beginning of Mardi Gras season. We will be baking King Cakes and taking orders through Fat Tuesday, February 25th.

Place your orders early!

HOW FRESH IS YOUR BREAD?

If you are still buying your bread at the grocery or even at a "bread" store down the street, do you really know when the wheat was milled? Did you know that when the words "fresh baked" are used many times it just means that the dough was prepared someplace else, frozen, then trucked to the store to be "fresh baked"? If you actually want FRESH bread then you want us! Our wheat is milled daily in the store to provide the fresh flour used in our breads and treats. All of our baked goods are prepared by hand. It doesn't get any fresher!

You owe it to yourself to eat the best!

DON'T FORGET.....*to give our breads and goodies to family and friends all year long! We will gladly help you with gift bag for EVERY occasion! We have GIFT CARDS too!*
