EVERYTHING YOU LOVE ABOUT A BAGEL NOW BAKED IN A BREAD!

Our take on this classic combination! A whole grain blend loaded with onion and garlic, mixed with poppy, sesame, caraway, flax and sunflower seeds, millet, oats, polenta and black pepper. Just like an everything bagel, but in a bread you can enjoy at any meal.

Baked on Wednesdays.

How to Keep Your Bread Fresh

*Our bread stays fresher longer if it is stored on the counter out of direct sunlight. **DO NOT** put your bread in the fridge, unless it has cheese. The refrigeration process crystallizes the honey which causes the bread to dry out very quickly.*

**THE WHEAT WE MILL HERE IN THE
STORE IS GMO FREE.
WHAT IS GMO?**

It stands for Genetically Modified Organisms and are plants or animals that have been genetically engineered with DNA from bacteria, viruses or other plants and animals. These experimental combinations of genes from different species cannot occur in nature or in traditional crossbreeding.

Our wheat berries are purchased once a year from Montana and all Great Harvest Stores mill almost everyday to retain the most nutrients. This also means that every single type of wheat bread we make is whole grain. It is truly all natural with no additives or preservatives.
